D.No.8904 S.N.1

1

The Commissioner of Police requests that the Deputy Controller of Printing,New Delhi, may be addressed to accord sanction to the printing at the Residency Press,Bangalore, of Crime cards.

Government forms consist of the following items:-

1) Standard forms obtainable from the Manager of the Forms Press,Calcutta.(We indent for them in form S.96);

Page 2 of the Book.

Please see Rule 4 of the Rules for Printing and Binding. It has been ascertained informally from the Police Office that it is unlikely that a standard form or a specialised form form exists approximating to this proposed form; and that it is not likely that any Provincial Government will be using the form.

3

The annual requirements of the form is only 100; and sanction to its printing at the Residency Press,Bangalore, will not be given by the Controller, unless he is told that this form cannot conveniently be prepared in manuscript. The Police Office said that it is essential that the forms

should

should be in print.

4 In the circumstances, we may address the Deputy Controller for sanction and while doing so, we may also tell him that requirements of this form for a period of five years will be printed at a time.

5 Subject to approval, draft submitted. Before issue, the Commissioner of Police may see the file U.O.

12. Unauthorised Construction on South Parade - No reply had yet been received from the President, Municipal Commission, to the Association's letter of the 29th. August enquiring what action had beentaken on yet another defiance, by the owner, of the orders of the Commission in reconstructing the petrol tank end of the building. In reply to a reminder, the Executive Engineer had stated recently that the matter was still under disposal. The Committee were unable to understand the long delay in merely stating what had been done in the matter. Mr. Sinclair stated that he had ascertained that the owner had put in two doors which had been actually cut out of the sanctioned plan as objectionable and had also put in a ventilator, not shown in the plan. The owner had been informed that no other alterations or additions should be made but he, as usual, paid no heed whatever to these instructions and had his own way, although he was informed for the third time that the doors were objectionable and must be closed immediately. The unauthorised constructions at Vale & Co's end of the building came up before the Commission last year but on this occasion the same owner was asked by the President, M.C. to pay a composition fee of Rs.5, without bringing the matterbefore the Commission. Various offences on the part of this individual had been condoned in the past and he failed to see the justice in quietly levying a penalty of Rs.5 while other individuals had been mulcted to the extent of Rs.300 for bona fide offences committed for the first time! He had written to the President again contending that there should be equal treatment for all. The Committee fully endorsed Mr. Sinclair's protest.
